**Department of Mechanical Engineering
ME EN 3910 - Design Methodology**

Pre- and Co-Requisites for ME EN 3910

Please mark the appropriate box in Table 1 (Prerequisites) and Table 2 (Co-Requisites). Sign and date the document and return the form to MEB 2110 by Wednesday, January 18, 2006, 4pm.

The requirements for ME EN 3910 are:

Prerequisites (passing grade): ME EN 2650, 2450, Upper Division ME EN Status.

Co-requisites (passing grade or currently enrolled): ME EN 3210, 3300

Not satisfying the pre- and co-requisites requires the instructors approval to continue with ME EN 3910.

TABLE 1 ME EN 3910 Prerequisites (passing grade)

Requirement	Passed	Not Passed	Currently Enrolled
