

THE UNIVERSITY OF UTAH
DEPARTMENT OF
MECHANICAL ENGINEERING

Institutional Loan Acceptance Form 2019-2020

You have been offered a Department of Mechanical Engineering Institutional Loan for 2019-2020 academic year. You were offered this loan through your request on the Department of Mechanical Engineering Ross-Dauncey Student Loan Endowment Fund Application. This loan has a 5% administrative fee of the principal amount. This loan has a 5% interest rate, with no payments and interest free (up to ten years) while you complete your schooling.

At the point of application any loan not a Federal Loan, such as the Ross-Dauncey Scholarship Loan, requires applicants to complete the following:

1. [Free Application](#) for Federal Student Aid (FAFSA)
2. Obtain the [Truth and Lending](#) and [H-18 Private Education Loan Application and Solicitation Disclosure Form](#)
3. Complete your [Self-Certification Form](#)
4. Complete the Department of Mechanical Engineering [Online Application](#)

PLEASE CONFIRM YOUR ACCEPTANCE (Check one of the following):

- Accept, I have completed all of the above and will accept the Department of Mechanical Engineering Institutional Loan
- Decline, I will not accept the Department of Mechanical Engineering Institutional Loan
