

BS/MS Thesis Preliminary Program of Study

This form is due to the ME Graduate Advising Office by the end of your first semester.

*List the courses you plan to take during your MS program. No more than 9 non-matriculated credits, 6 transfer credits, 3 independent study (ME EN 6950) credits, and 3 seminar (must be for credit seminar) credits allowed. Non-matriculated and transfer credits must be graded B or better. All matriculated grad courses must be graded B- or better with overall GPA of at least 3.0. **No more than 12 BS/MS undergraduate credits (5000-level and above, 6000-level when available) graded B or better can be approved for graduate credit - you must submit a Notification for Graduate Credit form for these to count. Do not include the 2 courses/6 credits counting for your BS technical electives.*
