

PhD Request For Supervisory Committee

This form is to be filled in by the student and submitted to the ME Graduate Office within one semester of passing the PhD Qualifying Exam.

*The committee must consist of chair (research advisor) and at least four members. The majority of the members must be Mechanical Engineering tenure-line professors. One or more members of the supervisory committee must be from outside the department, preferably, faculty from another U of U department. The Committee Chair must submit a petition and CV for any members from outside the U of U. Additional rules regarding forming your committee can be found at:
<https://gradschool.utah.edu/navigating-grad-school/degree-requirements/index.php>*
