

MS Request for Supervisory Committee

This form is due to your Grad Advisor by the end of your second semester.

An MS student's committee consists of three faculty members. All committee members must be non-family members that have a PhD. The committee chair and the majority of the committee must be tenure-line faculty in the Department of Mechanical Engineering. Any member from outside the University of Utah must also provide a short CV dated within 2 years of the committee's formation. Additional rules regarding forming an MS committee can be found at:

<https://gradschool.utah.edu/navigating-grad-school/degree-requirements/masters.php>.
